

AMENDMENT

Listing of the Claims

The following listing of claims replaces all previous listings or version thereof:

- 1-24. (Canceled)
- 25. (Currently amended) A method of decreasing bone destruction in a cancer patient comprising administering to said patient a compound that down-regulates parathyroid hormone-related peptide (PTH-rP) production through inhibition of the PTH-rP promoter, thereby decreasing bone destruction, wherein said compound is OSW3 or OSW6.
- 26. (Canceled)
- 27. (Canceled)
- 28. (Canceled)
- 29. (Canceled)
- 30. (Previously presented) The method of claim 25, wherein the administration is repeated.
- 31. (Previously presented) The method of claim 25, wherein the administration is orally or intravenously.
